

A map diagram showing a road network. A grey road runs horizontally across the top. A blue road runs vertically down the center. A blue road branches off to the left from the vertical road, then turns right and then left, ending near a road marked with a blue downward-pointing triangle containing the number 4. A red oval is located on the horizontal road to the right of the vertical road, with a red line connecting it to a red-bordered box labeled '交通管制'. Below the horizontal road, there is a road marked with a blue downward-pointing triangle containing the number 6. To the left of this road is a yellow trapezoidal area labeled '岩沼自動車学校'. To the right of this road is a yellow rectangular area labeled '押分排水機場'.

交通管制

岩沼自動車学校

押分排水機場
